## PROFESSIONAL EXPERIENCE

---

### Founder & Full-Stack Developer

Cultivated Agency | Los Angeles, CA | 2020 – Present

- Build custom Shopify storefronts and headless e-commerce solutions using Storefront API, Liquid templating, and React/Next.js for high-performance online stores
- Develop full-stack web applications with Next.js, TypeScript, Prisma, and PostgreSQL, implementing complex features like real-time updates, payment processing, and inventory management
- Architect and build warehouse management systems with barcode scanning integration, shipping APIs (ShipEngine), and real-time inventory tracking
- Integrate third-party services including Stripe for payments, Resend for transactional emails, Cloudinary for media management, and Ably/Socket.io for real-time features
- Design and implement responsive, mobile-first interfaces with Tailwind CSS and Framer Motion animations

### Graphic Designer & Web Developer

XLanes LLC | Los Angeles, CA | 2014 – 2020

- Led design and development of brand websites, landing pages, and digital marketing assets
- Developed integrated marketing campaigns across web, print, and social media channels
- Created comprehensive branding systems including logos, style guides, and marketing collateral
- Transitioned from design-focused role to full-stack development, building internal tools and client websites

### Jr Graphic Designer

IMI Studio | El Monte, CA | 2012 – 2014

- Created visual assets for print and digital marketing including brochures, flyers, posters, and social media graphics
- Prepared production-ready files and coordinated with print vendors for accurate implementation

## **EDUCATION**

---

### **Bachelor of Fine Arts in Graphic Design**

California State Polytechnic University, Pomona | 2007 – 2013
